

RECYCLE IMPLEMENTATION

Please Share With The Staff

All Plastic, Metal, Glass or Non-Corrugated Items will go in the recycle bins. Newspapers, Magazines, Junk Mail, Confidential and Non-Confidential Paper should be placed in the NexCut bins.

- Johns Hopkins is implementing a **Recycling Program**

There will be multiple recycle containers per unit.

This container will be used and placed at:

- Each Nurse's Station
- In the Staff Lounge

Green Bags – Green Bags will line the recycle containers. They will be removed by the Environmental Services staff and placed in the same receptacle as the solid waste in the designated room on the unit.

FACT:

Recycling 2,000 lbs. of paper saves about 17 trees.
